Accounting & Management in Russia

**OUR AIM:** We will take charge of your accounting function and any related tasks, enabling you to concentrate on your main business activities.

**“ACCOUNTING OUTSOURCING IN RUSSIA”** is more than the execution of basic accounting processes. Our service package is much broader and includes: financial accounting & taxation under Russian law, personnel and salary accounting, processing of business trips, online banking, payments, reporting and consulting services in English or German, courier services in Moscow and other services that facilitate your accounting function.

**OUR QUALITY PROMISE:** Your contact person will be an accounting specialist with a good command of English or German who regularly participates in professional training, is employed at our company and based at our office in the very center of Moscow. Don't settle for less!
